IT'S TIME FOR EVERYONE

GO BEYOND ZERO

ALL NEW
bZ4X
BATTERY EV

It's time to charge the future with the first-ever invention to go "beyond zero", All-New Electric Toyota bZ4X. A sleek SUV that elevates every driving moment in your everyday life.

PURPOSE BEYOND DESIGN

Comes with a trapezoid appearance, All-New Toyota bZ4X is made to catch every attention and bring the SUV prowess. The **Front Grille**'s unique BEV design, aerodynamic performance by **Front Bumper Spoiler** and **Roof Spoiler**, and sturdy **18-inch Alloy Wheel**, will surpass greater distance while enjoying the gaze with a large span **Panoramic Roof**.

PLEASURE BEYOND SPACIOUS

*Actual product may differ.

Catch beyond today with a comfortable space and limitless entertainment from the luxurious interior design that escalates the warm feeling with the impressive legroom that provides everyone with undeniable pleasure.

PREMIUM DASHBOARD

Make your journey always feel prestige with the leather-wrapped steering wheel and the soft-touch materials decorating the dashboard as all the control system is put within your reach.

ADVANCED MULTI-INFORMATION DISPLAY

The **Multi-Information Display** is perfectly placed right above the steering wheel to give you all information with modern graphics.

WIRELESS CHARGER

Top-mount **Qi Wireless** charging pod on the center panel will keep your smartphone connected with the outside world while you can focus on the road ahead.

WIDE DISPLAY AUDIO MULTIMEDIA UNIT

Heightens all modern interaction through your sight, touch, and voice recognition with **12.3-inch Toyota Audio Multimedia** with Human Machine Interface (HMI) for you to connect with your smartphone's app.

POWER BEYOND PERFORMANCE

POWERFUL ELECTRIC MOTOR

With one electric motor that produces 150 kW with 266,3 Nm max torque, the front-wheel-drive brings the electric powertrain with the instantaneous torque.

REGENERATIVE BRAKING WITH BOOST MODE

A more natural feeling handled brake is based on human sensory characteristics that control performance, rigidity, and responsiveness.

BATTERY PERFORMANCE

The battery's safety and service won't be compromised as the fast-charging battery technology system can be achieved in up to 30 minutes for 0-80% battery with a 150 kW system (CCS2).

DURABLE BATTERY WARRANTY

Reach greater distance as the vehicle's battery lifespan warranty is fully covered by Toyota for 8 years/160.000 km for your protection being guaranteed.

SAFETY BEYOND TECHNOLOGY

SAFETY EXIT ASSIST

Giving audible and visual alerts when people open the door and there is an approaching vehicle from the rear side.

PARKING SUPPORT BRAKE (PSB)

Detection covers a wide area surrounding the vehicle, helping to avoid minor collisions and reduce damages.

INTEGRATION A-PILLAR (ENHANCE SAFETY)

With integrated design pillar that enhances consumer safety from crash forces.

REAR CROSS TRAFIC ALERT (RCTA)

Gives alert to prevent the vehicle's rear from crashing by enhancing the road's visibility.

REAR CAMERA DETECTION (RCD)

Supports the driver checking safety from the rear side, especially when parking or reversing.

e-TNGA PLATFORM

As the first Toyota vehicle that utilizes brand new e-TNGA (Toyota New Global Architecture), All-New Toyota bZ4X is made specifically with a structure that allows more space inside the cabin with a solid foundation and stability in its performance.

ADVANCED PARKING

Designed to assist the driver with hands-free parking, especially when parallel parking or reverse parking and also automatically helps you for searching parking spaces.

SAFETY & CONVENIENCE

FIND MY CAR
Accurately know where the vehicle is parked to provide you feeling of safety and convenience.

STOLEN VEHICLE TRACKING
Know your vehicle location assisted by Toyota Call Center to provide you security all the time.

GEOFENCING
Giving alert if your vehicle is outside the authorized zone to ensure your security at all times.

VEHICLE INFO
Provide your vehicle's condition and warning notification to give you more convenience while driving.

E-CARE (MAINTENANCE)
A reminder to you for periodic vehicle maintenance to make your vehicle always in the best performance.

TRIP DRIVING UPDATE
Record all vehicle journeys include distance and duration to support your vehicle always at the outstanding performance.

INQUIRY & SUPPORT CENTER
Direct assistance from Toyota Call Center to solve your problems and give you more ability to keep moving forward.

ROAD ASSISTANCE
Provide an SOS button if you get in an accident. You will be assisted by the Toyota Call Center to be directed to the Emergency Road Assistance (ERA) provider to make you feel safer while driving.

PRE-COLLISION SYSTEM (PCS)

Integrated camera and radar system that helps to reduce crash risk and damage with enhanced recognition of intersection collision and avoidance for turns and vehicle meet head-on.

LANE TRACING ASSIST (LTA)

Prevents the vehicle from unintentionally straying from its lane and automatically keeps the vehicle centered on its track through alert sound and (selectable) minor steering adjustments.

DYNAMIC RADAR CRUISE CONTROL (DRCC)

Steering assist support helps you automatically follow a preceding vehicle within a safe distance, with enhanced recognition and curve speed restrain function.

AUTOMATIC HIGH BEAM (AHB)

Detect headlights and taillights of the vehicles in front and gives earlier detection of pedestrians or obstacles, then adjust the lamp and direction automatically when the button is switched on.

SAFETY FEATURE

BLIND SPOT MONITOR (BSM)

Informs you by giving a graphic signal on the side mirror if there's any other vehicle in the blind spot area.
